ANNUAL REPORT 2019

MISSION & VISION OF BCM

Mission

Buckhead Christian Ministry (BCM) provides life-changing services for individuals and families experiencing various stages of hunger or homelessness in Atlanta.

Vision

A community free of hunger and homelessness.

Letter from the President & CEO

October 1, 2019

Friends:

In 2018, BCM looked Upward. As the new President and CEO, prayerful supplication for guidance and support seemed to be the best strategy—and it worked! As we close fiscal year 2019 and envision the year ahead, I am exhorting BCM's staff, volunteers, donors, board members, and even program participants to look *Inward*. This past year, BCM reached all our growth goals, doubling both emergency financial assistance and the *Foundation 3* housing program, and tripling *Budget for Life*™. We also began the processes of expanding Buckhead THRIFT*ique* and renovating the food pantry, both of which will be completed in the coming year. Such Upward trajectory is exciting—it motivates staff, volunteers, and donors; it gets our first-in-class programs into the lives of more community members. At the same time, such growth requires reflection and introspection. BCM is beginning to perceive its potential for extraordinary results, but we want to make sure we know what positive change we are truly seeking and how best

to realize it. Aristotle said, "Knowing yourself is the beginning of all wisdom." So, as we celebrate the tremendous accomplishments of FY2019, which you will read about in this annual report, I invite you to join me and all of BCM in keeping with this advice so that we may discern our highest and best purpose as a ministry and social service provider. In a prosperous community like ours, there is no excuse for hard-working residents to struggle to meet basic needs, live paycheck to paycheck, and teeter on—or fall over—the precipice of housing and food insecurity. Therefore, we must take the time to deeply discern how we as a ministry, a city, and a faith community are going to fully live out the calling to love our neighbors as ourselves. This year, join BCM as we look *Inward* so that by knowing ourselves we will make the wisest decisions for the community we serve.

Thank you for a fantastic FY2019. I look forward to serving with you in the coming year.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kase' with a stylized flourish.

BCM Welcomes a New Board Chair

Shirley Davis, a first generation immigrant from New Zealand to the United States, has a natural affinity for serving others, which has been made clear through both her professional life and her extensive leadership within BCM. Before starting her own legal consulting company, Shirley trained as a Critical Care Nurse and worked at Emory for years, attending to the needs of countless patients. She is also a past President of the American Association of Legal Nurse Consultants and helped author one of the first textbooks published on legal consulting.

Shirley is a member of Trinity Presbyterian Church, where she serves on the Session. She joined The Seeds of Change Society in 2013, which she would later chair for two consecutive years. Since then, her involvement with BCM has consisted of mentoring eight clients as a coach in the *Budget for Life™* program, serving on the Board since 2016, and chairing the Development Committee, prior to being named the Board Chair. Shirley is a woman on a mission, and we're thankful that BCM is the mission she's accepted the call to help lead.

Shirley Davis, Board Chair

"Buckhead Christian Ministry is there for those who need emergency assistance in the worst of times and for others who want to become self-sufficient for life through our *Budget for Life™* and *Foundation 3* programs. It is wonderful to be a part of a life-changing ministry!"

Dear BCM + Ms. Frazier,

Thank you SO MUCH! Your financial assistance, guidance + encouragement has helped me tremendously! We all fall down sometimes due to various circumstances, but as long as we keep striving to get back up... there will be better days ahead! You all have helped me get back up.

Forever Grateful,
Regina

Bethany and her two children entered the *Foundation 3* program in August 2018. Shortly afterwards, she was involved in a car accident, which left her with a totaled car and accident-related injuries that prevented her from working for several weeks. Consequently, she lost her job as a waitress and was without income for three months, despite having applied for a number of jobs. She eventually took a job that paid well, but which was not on a bus line. Because of this, she quickly accumulated inordinate monthly transportation expenses related to work and childcare. In June, Bethany's case manager referred her to a foundation that gifts select applicants with a safe, reliable, and debt-free used automobile. She was selected to receive the gift based on her application and determination. The gift of a car will permit Bethany to have renewed independence and increased income.

BUDGET FOR LIFE™ JUNE GRADUATION CELEBRATION

“The *Budget for Life™* graduation celebrates how a community can come together to share life experiences, help each other grow, and develop financial skills that can change the future of families' financial wealth.”

-Michelle Ramirez,
Director of Financial
Education

Bruce Demps, *Budget for Life™* Instructor, a *Budget for Life™* graduate, and Shelley Payne, *Budget for Life™* Specialist.

Participants of the 2018 Tee it Up Golf Tournament, including Co-Chairs Sadler Norris and Jason Campbell.

“BCM'S Tee it Up Golf Tournament continues to serve as a major fundraising event for the ministry. We have a wonderful venue in Peachtree Golf Club and a loyal group of sponsors whose donations help make a positive impact in the lives of many Atlanta families.”

- Sadler Norris, Tournament Chair

The Seeds of Change Society

Keeva Kase and Seeds Chair Cynthia Harris.

“Over the years, I have seen *The Seeds of Change Society* provide invaluable support to many BCM programs through both financial gifts and volunteer participation. I have enjoyed being a part of a group of women who are dedicated to not only financially assisting those in need but are also dedicated to serving them as volunteers within the organization.”

- Seeds member Laura Warren

2019 Seeds Keynote Speaker, Michelle Littles, a *Foundation 3* participant.

VOLUNTEER APPRECIATION BRUNCH

On November 10, 2018, BCM hosted its first Volunteer Appreciation Brunch at the InterContinental Buckhead. The event featured the talents of the Harlem Globetrotters and recognized the years of service of BCM's beloved volunteers.

“Buckhead Christian Ministry has helped me to get my life back on track. The staff, instructors, and volunteers were very helpful and gave me the support I needed in order to learn how to budget and save. Although it was a challenge when I first started the program, throughout the months, it became easier. All I can say is **thank you.**”

INSPIRED

HERE I STAND

The eldest of seven, Cynthia Crisp is no stranger to hardship. As a child, she bounced between two vastly different lifestyles: one with her mother and six younger siblings living on welfare in “one of the most dangerous and notorious projects in Chicago,” the other with her father, a TV and movie writer who created three well-known sitcoms and one hit movie in Hollywood. The life she lived with her father, however, was equally as nefarious as the projects. No “lesser of the two evils” here.

As an adult, after withstanding the challenges of living in crime-riddled Chicago and walking away from a 21-year marriage, she became a single mother of three. To protect her youngest daughter from gang violence, Cynthia resigned from her salaried position at a major bank and moved first to Nevada and then to Atlanta to begin a new journey as a supervisor for Sam’s

Club for three years. Later, as a newly hired manager for their competitor, just two weeks in, she was faced with another major decision and, again, chose to put her family first. She walked away from her new job and spent four months helping her son recover from emergency open-heart surgery.

When she returned to Atlanta, she found work as a temp for different government agencies, but with the inconsistent pay, she fell behind in rent. That’s when she first turned to BCM for rental assistance. However, a six-month period of stagnancy made it impossible for her to pay her rent and she lost her apartment. She says of this time, **“I couldn’t sustain.”**

She began working as a commission-only sales associate at a furniture store the same day she lost her apartment. For four months she lived out of her car, seeking hotels with the best nightly rates. Eventually, she saved up enough to rent an apartment again, but her fluctuating pay tied her to the palpable fear of homelessness. That’s when *Budget for Life™* interjected and helped her draw closer to her goal of financial stability.

However, even after graduating from the program in June of 2018, Cynthia was still working within the financial restraints of a commission-only job. In order to attain real financial stability, what she really needed was a salaried position. With help from her case manager, Michelle Ramirez, Cynthia landed a job in-house as BCM’s Executive Liaison. In less than a year, she transitioned from program client to part of the staff. Cynthia celebrated her one-year anniversary at BCM in September of 2019.

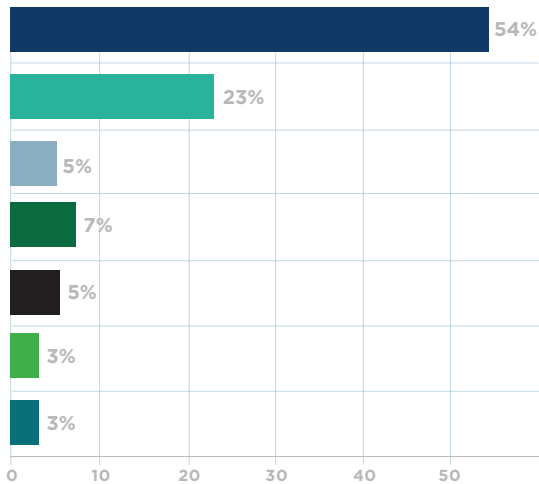

Through your support of BCM, Cynthia regained the momentum she needed to prosper and inspire others.

Cynthia is a prime example of the challenge we have tasked ourselves with of looking *Inward*. Her commitment to *Budget for Life™* required reaching within herself to extract strength and application. Because of her success, we too were able to look *Inward* and hire from within our own four walls.

FY19 brought significant growth to the ministry. The renovation of the food pantry and addition of the position of Food Pantry Manager, coupled with the beginning stages of doubling the square footage of THRIFTique, as well as bringing in a COO, put the operating budget to the test. However, thanks to the backing of generous donors, we finished the year under budget. This degree of financial strength allowed us to begin FY20 with the confidence to both follow through on ongoing projects and approach new opportunities for improvement within our ministry.

Don Ford, THRIFTique Associate

"This current expansion at THRIFTique is so exciting and something we're all looking forward to, now that it nears completion. Shoppers are excited to hear we will be able to offer more furniture, decorative items, appliances, books, and electronics. The future looks bright for Buckhead THRIFTique, my very favorite place to volunteer!"

-Meryl Dilcher, THRIFTique volunteer

Looking Inward

Last year, we set our sights on projects and growth. This year, we began to look *Inward*, a strategy we believe will optimize our *Outward* trajectory. We're looking to streamline our services, communications, and goals, and have concluded that, in order to transform, we must transcend the conditioned boundaries of our thinking. BCM believes that we have been called to reflect inwardly so that we may perfect our services outwardly. Our goals for FY2020 are:

- Complete and implement a new strategic plan
- Launch a modernized and unified *Budget for Life™* course
- Unveil an expanded and contemporized *THRIFTique*
- Implement "client-choice" technology and fresh foods in the food pantry

Leave Your Legacy with BCM

Including a gift to Buckhead Christian Ministry in your will or living trust allows you to offer future support without giving up assets today. You can leave us a specific asset, a specific dollar amount, or a percentage of the residual in your estate.
