

EMERGENCY RENT, MORTGAGE, & UTILITY ASSISTANCE

BCM's financial assistance ministry is dedicated to forestalling eviction and utility shut-offs by providing one-time financial assistance to individuals and families experiencing a crisis such as illness, death in the family, divorce, or job setback. BCM will pay a portion of rent, mortgage, or utility bills in order to help our clients maintain stable housing.

FOUNDATION 3 SUPPORTIVE HOUSING

Through the Foundation 3 program, BCM helps working families that are experiencing or are on the brink of homelessness establish a solid financial foundation. The program targets three essential areas: safe housing, stable employment, and education. While enrolled in the program, participants receive financial assistance for rent and utilities for 12 months. Participants are required to attend weekly case management, which include career-based education, and employment services, among other case specific supports.

BUDGET FOR LIFE™ FINANCIAL EDUCATION

The Budget for Life Program™ is a 12-month virtual financial education program for working individuals and families. The program focuses on helping participants build the skills, knowledge, and habits to become financially stable. These skills will help participants make better economic decisions in the future.

Participants are required to attend virtual meetings for case management, financial coaching session and financial education class.
